OPEN YEAR-ROUND

GPS Coordinates: N43° 59.26.07' W103° 16.07.02 Elevation 3553'

## PARK RULES AND GENERAL INFORMATION

For everyone's comfort and safety, the following policies have been established.  
Thank you for being our guest and enjoy your stay.

**FROWNS:** Frowns are not allowed. If you feel compelled to have one, leave it at the dump station and pick it up when you leave.

**OFFICE, STORE & SERVICES:** 8 a.m. to 9 p.m. (seasonal). RV supplies, ice cream, groceries, souvenirs, propane and beer can be found in the office. RV and auto washing permits available.

**REUNION HALL:** Available for gatherings, parties, rallies and family reunions. It is complete with a full kitchen.

**RENT:** Payable in advance. Fee based on two people, one tow vehicle. All visitors and guests must register at office to use facilities. **CHECK-OUT TIME IS 11 A.M.**, but let us know if you want to stay longer. We'll see what we can do.

**CANCELLATIONS:** Require advance notice, and subject to \$30 cancellation fee, because your reservation means we may have turned other guests away. **No refunds for early departure or adverse weather.**

**BATHROOMS** are open all night. We make it a priority to have them clean for you; please respect our efforts or we'll have to come to your house when you get home.

**SEWER CONNECTIONS:** A secure sewer boot is required. Please, no exceptions, because we think fresh air is wonderful. (Sewer connections can be purchased in park store).

**CABLE** is FREE at all full-hookup sites. TV schedule provided in welcome package.

**INTERNET ACCESS:** Our wireless internet network is available throughout the resort. PASSWORD located on back of TV Schedule provided in welcome package.

**TRASH:** Unfortunately, some unlucky person in your party will have to take the trash to the dumpsters. If you are alone, then that's you! Please put bagged trash in dumpsters, which are located throughout the park.

**LAUNDRY ROOM:** The laundry is open all night. For safety reasons, do not put out clotheslines or hang laundry outside. Your neighbor may want to enjoy the fabulous Black Hills views rather than shirts.

**ALL LEASHES MUST BE ACCOMPANIED BY A DOG:** The local dog catcher is a very fast runner. Please don't leave your charming pet unattended outside or inside your RV. Designated dog walking area is in the front of the park. **PLEASE PICK UP DOGGIE DOO.** Free bags available at office. Dogs are not allowed in any building. Believe it or not, some folks like a quiet, peaceful environment, so you will be asked to leave the park with no refund if your dog disturbs other guests. This means **NO BARKING**, by either you or your dog.

**CHILDREN:** Parents are responsible for their children at all times (including playground areas). All children must be on your site by 10 p.m. along with quiet time; make sure to give them a hug.

**PARKING:** Other than your own vehicle, additional vehicles should be parked in designated parking areas. Please do not block traffic in the park roads. There is plenty of overflow parking available; please stop by park office for assistance. **SPEED LIMIT 5 MPH WITHIN PARK.**

**POOL:** The pool is open 10 a.m. to 10 p.m. (Summer). Please no diving (or the bottom may rise and smite thee). **NO PETS OR GLASS AT THE POOL.** Children need to have their parents with them. **No lifeguard on duty.** We don't have sharks in our pool, but you still need to be careful as we aren't responsible for your safety.

**CHURCH** information available at front counter.

**MILEAGE CHART** available at front counter.

**DRONES** are not allowed to be flown in the park.
