## THIS KOA IS A GREAT PLACE TO STAY

Located on the shore line of the Willapa Bay is our little Bay Center KOA. It has just what every vacation needs. Relaxation, Fun, Adventure, Activities and More. Whether you are combing the beach for sea glass or clams, roasting a S'more or mining for some gems the memories are sure to last beyond your stay.

Willapa Bay is a special place as one of the largest riverine estuaries.

This is the reason for our wonderful calming and shallow warm waters that give homes to many sea and land creatures. Deer often are seen mossing through campsites and over 100 species of bird have been spotted in our little region. Come enjoy the world all around us!
