

GUEST RESPONSIBILITIES:

WELCOME TO WESTMORELAND STATE PARK. To make your visit safe and more pleasant, we ask that you observe the following: Take only pictures, leave only footprints. Park in designated areas only. Please note there is a parking fee charged year-round at all Virginia State Parks. Honor parking information is found at the park entrance.

- PRESERVE** - Help preserve your park. Please don't cut or mar any plants or trees. Collecting animal or plant life is allowed only for scientific purposes by permit from the Richmond headquarters. Don't feed any wild animals.
- ALCOHOL** - State law permits alcohol use only in private areas (inside your cabin or camping unit) or in areas designated on permits issued by the Virginia Department of Alcoholic Beverage Control.
- PETS** - Pets are permitted in enclosed areas or on a leash no longer than 6 feet. Please clean up after your pet. Pets may not be left unattended at any time.
- DRONES AND OTHER AIRCRAFT** - Drones, other unmanned aerial vehicles, including remote control aircrafts, and aircrafts in general may not be flown in state parks pursuant to 4VACS-30-400.
- LITTER** - Please help us keep the park clean by placing litter and recyclables in the proper receptacles and recycle centers or carrying out your trash. The releasing of balloons is not allowed. Decorative balloons must be deflated and disposed of as trash.
- FIRE** - Help prevent wildfires. Fires must be confined to grills, camp stoves or designated fire rings. Fires must be attended at all times and extinguished when left. Firewood is generally available for purchase at the park. Campers and guests may collect only down and dead firewood. We enforce all seasonal and emergency bans on open fires.
- POLLUTION** - Help reduce pollution. Dump stations, laundry sinks and slop sinks, where available, are for the proper disposal of wastewater. Please, no boat, RV or car washing.
- SWIMMING** - Park guests may swim at the designated beach area at their own risk. Swimming anywhere else in the park at any time is prohibited.
- FISHING** - A Saltwater license is required for fishing in The Potomac River. A Freshwater license is required to fish in Rock Springs Pond.
- GUESTS** - Your guests are our guests. For everyone's safety and security please register all visitors with the park office. Visitors are permitted only between the hours of 6 a.m. and 10 p.m. All guests without a reservation are required to pay parking fees and may be required to park in overflow parking areas designated throughout the park.
- QUIET HOURS** - Quiet hours are between 10 p.m. and 6 a.m. The use of generators is prohibited at all times.

In many cases, campers may be accommodated prior to the official check-in. Please remember that only those 18 or older may register. The registrant is responsible for all occupants of the campsite or cabin. Feel free to arrive early and enjoy park amenities prior to check-in. Overnight guests are encouraged to be familiar with the early departure policy since it impacts any refund due. The policy, along with other frequently asked questions, can be found here: <http://www.dcr.virginia.gov/state-parks/faq>.

CHECK-IN AND CHECK-OUT POLICY

Camping: Check-in 4 p.m. Check-out 1 p.m.
Cabins: Check-in 4 p.m. Check-out 10 a.m.

- CAMPING** - Camping is allowed only in designated campgrounds and only after following the proper check-in procedure described in the Reservation and Fees Guide available at the park office. Campsite occupancy is for a maximum of six people or the number of people in a single household. Two camping units are allowed per campsite; only one axled camper is allowed per site. All camping units, equipment and vehicles must be placed within the perimeter of the designated campsite without infringing on adjoining campsites or vegetation. Where high impact areas are designated, all camping units, equipment and vehicles must be within the defined borders of the high impact area. Park in designated areas only.
- CABINS** - Camping cabins are basically wooden tents with four beds, no toilet, no kitchen - you must cook outside. Housekeeping cabins are fully equipped with kitchen and bath.
- PARKING** - Only two motor vehicles, as well as the camping unit, are permitted on a campsite without incurring additional fees. Cabin guests are allowed two vehicles for a one or two-bedroom cabin, and six vehicles for a six-bedroom cabin per day without an additional parking fee charge. Those with additional vehicles must pay the established parking fee for each day the vehicle is in the park. The number of vehicles allowed to park at the cabin varies according to site design and other factors. All vehicles must be parked in designated areas, either at the cabin or in the designated overflow parking area.
- GOLF CARTS** - Golf carts are not allowed in the park.

The maximum overnight stay per park is 14 days in any 30-day period.

PARK ACCESSIBILITY - We strive to make each park as barrier-free as possible. Universally accessible facilities are available throughout Virginia State Parks.
