CAMPING & COTTAGES

### Waldenwoods Family Recreation Resort Family Owned Since 1834

Waldenwoods Resort is centered among 1500 acres on a 150 acre natural spring-fed lake with 323 large grassy campsites, 10 lakefront cottages, 2 chalets and 3 historic lodges. The resort is beautiful, safe and close to home. It doesn't get any better than this!

By maintaining their membership, our members camp for free at Waldenwoods and at exclusive Resorts of Distinction all around the country. You'll enjoy vacationing more without the additional cost. It is all part of our travel program once you are a member. In addition, you'll have free access to over 60 watercrafts, an Olympic-size heated swimming pool, a luxurious heated spa and sauna. We even offer free Wi-Fi, horseshoes, tennis, basketball, gaga ball and so much more.

Looking for a little entertainment? Then you'll enjoy our year-round activities program which includes: live bands, carnivals, spectacular fireworks, regattas, hayrides, card tournaments, Halloween trick or treating, arts and crafts, and our winter carnival which features

sledding, skating, and cross-country skiing! You can even enjoy your own private Bellinger lounge for year-round extraordinary food and handcrafted cocktails.

Waldenwoods has a unique and distinguished history tracing its origins back to 1834 when the first members of the Crouse family settled Hartland and platted the village. The lakefront property was set up as a business retreat in the early 1900s for the Crouse's businesses and three grand lodges were erected in 1924 which played an integral part in the industrial revolution with such notables as Henry Ford, Thomas Edison and Harvey Firestone having visited Waldenwoods. The resort as we know it today was established as a private membership campground in 1984 and sits on the original land which is still owned and operated by the Crouse family - now into the 8th generation!

And now you and your family can be a part of this amazing place. Call today for your historic tour and presentation.
