## Waldenwoods Family Recreation Resort

Family Owned Since 1834

Nestled within 1500 acres surrounding a pristine 150-acre spring-fed lake, Waldenwoods Resort boasts 400+ spacious grassy campsites, 10 historic cottages, five new chalet cottages, and two historic lodges. This stunning, secure haven is conveniently close to home. It simply doesn't get any better!

By retaining your membership, enjoy **spontaneous** camping at Waldenwoods. Revel in the resort's natural splendor and abundant on-site adventures. Plus, enjoy plenty of free boat rentals, a grand Olympic-sized heated pool, indulgent heated spa and sauna, our brand new dog park, and our brand new Lakeside Café with full commercial kitchen and Lakeside Café patio. We provide free Wi-Fi, horseshoes, tennis, basketball, gaga ball, cornhole tournaments, and endless additional amenities.

Craving excitement? Dive into our vibrant year-round activities: live music, festive carnivals, dazzling fireworks, thrilling regattas, scenic hayrides, competitive card tournaments, Halloween trick-or-treating, creative arts and crafts, and our magical winter carnival with sledding, ice skating, and cross-country skiing! Savor exceptional cuisine and refreshing drinks at our brand new Lakeside Café all year.

Waldenwoods boasts a rich, storied legacy dating to 1834, when the pioneering Crouse family settled Hartland and mapped the village. In the early 1900s, the lakeside estate became a corporate retreat for Crouse enterprises, with two majestic lodges built in 1924 hosting industrial titans like Henry Ford, Thomas Edison, and Harvey Firestone during the era's transformative boom. Transformed into a private membership campground in 1984, it remains on the original grounds, proudly owned and managed by the Crouse family—now in its 7th generation!

Join this extraordinary legacy with your family today. Call now for your personalized historic tour and presentation.
