Town of Surfside Beach officially became the first autism-friendly travel destination in the world in 2016

Welcome to Town of Surfside Beach!

We're delighted to welcome you to our charming seaside community. Town of Surfside Beach is a place where neighbors look out for one another, local businesses thrive, and our shoreline offers the perfect backdrop for relaxation, recreation, and unforgettable memories.

Our town is alive with events year-round, offering something for every age and interest. During the summer months, families gather weekly for our Hula and Fire Shows, bringing vibrant island energy and unforgettable entertainment to warm coastal evenings. As winter approaches, the Town of Surfside Beach transforms into a festive wonderland, with Christmas events every week in December celebrating the season with cheer,

lights, and community spirit.

Many of our most beloved happenings take place at our iconic Town of Surfside Beach Pier, where ocean views make every concert, festival, and gathering even more special.

Whether you're visiting for the day, planning a longer stay, or settling into our community, we hope you'll enjoy the natural beauty, warm hospitality, and vibrant activities that make the Town of Surfside Beach truly unique.

We're glad you're here—and we can't wait for you to experience all that our little beach town has to offer.
