Surfside Beach is a small seaside community nestled in the heart of South Carolina's Grand Strand area. It encompasses 2 miles of pristine beach, enjoys a temperate climate and is both an active residential community and a thriving vacation destination. Proudly called the Family Beach, Surfside Beach strives to maintain a small-town, laid-back, child-friendly environment for its residents and guests. A quiet haven close to all area attractions. The town-owned fishing

pier, supermarkets, mini golf and restaurants are all just a short walk or golf-cart ride away.

The town is participating in a tree canopy program. The fire department recycles aluminum cans to raise money for children's burn camps. All new businesses receive a ribbon cutting from Town & Business committee.

Surfside Beach, the Family Beach, it's ALL right here, just at a quieter, gentler pace.

Thank You!

This guide is brought to you by the **Town of Surfside Beach - Business Committee** with the generosity of these local businesses. Please support them as they support us.
