OLD MAN PET PEEVES

Do not park on our dirt (future grass) or attempt to park sideways so that you are in the dirt. **He waters almost daily. Ruts are hard work to erase.**

No cigarette butts, trash, or pet poop left behind especially in the firepit. **It is not a trash can. Our old man must bend over a lot to pick each of these up daily.**

It can be windy, so watch your awnings and take them home when they break. **The old man has to jump up and down in the dumpster.**

Please go left when leaving with your RV site. **This one really makes him shake his head and lose faith in all mankind.**

Our water faucets are frost free and must be either all the way up or they will leak underground. **Shovel work is back breaking.**

The State Park requires its own entrance fee which may be purchased online or at their front gate. **He has no money left for your bail.**

Tents are NOT Allowed, Canopies are ok with weights. **The old man spent many of hours installing the sprinkler system...YOU do not want to pay for irrigation repairs!**

No loud music after hours. Quiet hours are 10pm-7am. **RV walls are thin and somebody will call the old man to get dressed and come out to be the bad guy.**

We know; everyone's dog is special and doesn't want to be leashed until someone calls to complain that they are following the rules and you are not. **Keep your BEST dog leashed so the old man doesn't have to come by and be the bad guy... again.**
