

Welcome Guests!

During your stay here at Pinecreek Campground, we want you to have fun and utilize our facilities. We do have regulations you must abide by though, especially with our beautiful pool! Please take the time to review these rules below. If there are any issues while you are on the pool deck, please let the office know immediately. Thank you! Pinecreek Campground Management.

Campground Rules

We have established some rules in order that your stay with Pinecreek Campground will be a pleasant one.

- 1) There is no use of water to wash any equipment, vehicle, RV, filling of pools of any size, or to run sprinklers. This rule must be strictly enforced to conserve water as we are on a private well.
- 2) The **Speed Limit is 5 MPH**. Please keep your speed down for the safety of all residents, including children and pets.
- 3) There is only one camping unit allowed per site. This includes tents (one tent per site). If you have an RV and you want to pitch a tent for the kids (as an example), you must get permission from the office.
- 4) Parking – one vehicle per site. If you have more than one vehicle, please inform the office and park one of them in the designated parking areas.
- 5) Site fees are for registered campers only and includes up to four (4) people per site. Every additional person, whether adult or child, is \$5.00 per person per day.
- 6) Restrooms and showers are reserved for registered campers of Pinecreek Campground.
- 7) Please build fires in the fire rings provided at each site and never leave the fire unattended. **Please do not move the fire rings to a different area.**
- 8) Please keep your campsite clean of debris, garbage, and litter of any kind. Dispose of any remaining garbage prior to checkout.
- 9) Use of alcoholic beverages is restricted to your site.
- 10) Minors must be at their site by 9:00pm. Children under 10 years of age must be accompanied by an adult in all areas of the campground. Conduct, behavior and control of children are the parent's responsibility.
- 11) Quiet time – all noisy activity (music, revelry, loud voices, etc.) must cease by 10pm. You are welcome to continue to enjoy your campfire conversation after 10pm but it cannot bother other campers.
- 12) RV sites shall be kept neat and clean without an excess of accumulated items visible to other guests.
- 13) Please observe site boundaries. No cutting through other people's sites and no riding bicycles through sites.
- 14) Swimming pool users must follow all rules and regulations on the separate swimming pool rules form.
- 15) The dump station is free for all campers that are staying on property.
