

Sandbridge Beach isn't just another resort destination; it's a unique community of privately owned rental homes & condos.

It is the perfect family vacation destination away from the hustle, bustle & noise of the oceanfront, but near enough for great restaurants, shopping, amusements, & services. This Sandbridge Beach local area guide provides you with important and helpful information, as well as a general overview of the area to show you where all of the nearby shopping and area attractions are located.

For Back Bay National Wildlife Refuge Website

Located in Sandbridge at the south end, just past Little Island Park, the refuge protects and provides a habitat for swans, snow & Canada geese, a large variety of ducks, loggerhead sea turtles, brown pelicans, eagles & more.

The Refuge offers over 8 miles of scenic trails, a welcome center, recreational activities, hiking, biking, fresh water & surf fishing, kayaking, canoeing, wildlife photography, and more.

The refuge also works with neighboring **False Cape State Park** to provide tram tours: **Blue Goose Wildlife Trams**, throughout the year.

Tram tours begin at the wildlife parking lot and start with a ride through the wildlife refuge to reach the state park visitor center & continue deep into the state park and return through the refuge back to the starting point.

Time and availability are limited. Call **False Cape State Park** at (757) 426-7128 for questions & reservations, and scan the QR code below to visit the website for more information.

Water Safety
Beach currents vary from area to area. Water conditions are marked in supervised areas and should be paid close attention to. Never swim when intoxicated. If you are confronted by a large wave, try to dive under it until it passes. If the water is too shallow, crouch and keep a low body profile.

If caught in a rip current (flows out to sea) relax and swim parallel with the shore in the same direction as the current flow until the pull stops. Then swim diagonally toward the shore. Wave for help and don't panic.

Undertows occur when a wave comes upon the beach and breaks, and then runs back to the sea. It sucks at your ankles from small waves, but in heavy surf an undertow can knock you off your feet and carry you off shore. **If carried out do not resist, let it carry you off shore until it subsides. It will only be a few yards. The next wave will push you shoreward again.**

Electrical Storms
Sandbridge and the surrounding area are subject to sudden severe storms.

DO NOT USE THE POOL DURING SEVERE WEATHER CONDITIONS!
Get out of the water (ocean or pool), and take shelter immediately!

Boating & Safety
It is unlawful to launch or land a motorboat, sailboat, jet ski, or any other vessel on Sandbridge Beach between the hours of 10am and 5pm except on the last 400 ft. of beach south of Little Island Park.

The Depth of Back Bay as well as the canals average around 4ft. and is affected by the direction of the wind rather than the lunar tides. This depth may change drastically due to an increase or decrease or shift in wind direction. The Canal is a **No Wake Zone**. Boats should not come within 100 yards of shore. No alcoholic beverages are allowed while boating. Life Jackets should be worn at all times.

Beach Rules & Safety
Knowing what is expected can save headaches and wasted time.

Driving on the Beach. Bonfires, Glass Containers, Alcoholic Beverages or Fireworks are not permitted by Virginia Beach City Ordinances.

Personal Items are not allowed to be left unattended on the beach at any time. These items include, but are not limited to tents, canopy structures, chairs, umbrellas, coolers, boats and surfboards. **City employees will remove and dispose of these items daily.**

Parents are responsible for the conduct of their children. Please watch out for the little ones, especially in beach areas where there are no lifeguards. **DO NOT LEAVE CHILDREN UNATTENDED AT ANY TIME EVEN IF THEY ARE ABLE TO SWIM.**

Quiet Hours
Please be considerate of your neighbors. City Ordinance prohibits making unreasonably loud and raucous noise, unreasonably loud use of audio-visual devices, musical instruments or amplified sound, etc. between the hours of 11pm - 7am.

Sand Dunes are Fragile
Use walkways for beach access. Crossing and climbing the dunes at other locations is not allowed. State Law prohibits disturbing or picking Sea Oats or any other protected dune vegetation.

Surfing Rules from Memorial Day - Labor Day Weekend. Surfing is only allowed at the lifeguarded beach located to the left of the fishing pier. Surfers must wear a leash and surfing is prohibited within 30 feet of the shoreline. Surfing is permitted year round Monday-Thursday. **No surfing is allowed 11am - 4pm Friday - Sunday except in designated surfing areas.**

SWIMMERS ALWAYS HAVE THE RIGHT OF WAY OVER SURFERS. FOR YOUR SAFETY, IT IS UNLAWFUL TO SWIM MORE THAN 50 YARDS FROM SHORE.

Pets on the Beach - From Memorial Day - Labor Day Weekend. Pets are only allowed on the beach (on a leash) **before 10am and after 6pm.** Please clean and scoop up any messes your pet makes. Dispose in pet disposal containers.

Injured or Stranded Marine Animals
If you notice a stranded dolphin, whale, or other marine creature on the beach (dead or alive) please immediately notify the **Virginia Aquarium & Marine Science Center Hotline** at (757) 385-7575. Marine animals are protected species and fines are in the thousands of dollars for possessing any part of an endangered animal.
