CAMPGROUND POLICIES

COMING & GOING

All Guests must check in. There is a self-service kiosk by the office for a quick and easy check in! Check-in: 2:00PM Check-out: 11:00AM

GUESTS

If you are going to have visitors to your site, please check in with the office. We are a small park, visitor vehicles must be parked at the front. PLEASE DO NOT USE VACANT ADJACENT SITES FOR VISITOR PARKING.

QUIET TIME

9:00PM - 8:00AM

All children should return to their sites by 9:00PM. Please respect your fellow campers during quiet time. Sugarbush Campground is perfect for relaxed evenings and peaceful mornings.

DOGS & CATS

Please clean up after your pet. Please do not leave your pet unattended or tied up while you are away from Sugarbush Campground. Please do not allow your dog to bark or otherwise disturb campground guests.

PROHIBITED ITEMS

Fireworks, Ground Fireworks, BB Guns, Firearms

TRASH

A bear-resistant dumpster is on site for all normal campsite trash. We must conserve dumpster space as much as possible because trash removal is a luxury in these beautiful mountains.

CAMPFIRES

Firewood is available in the office for purchase. Please drown campfires before leaving your campsite or when finished with them. Please do not cross property lines to gather wood.

ETIQUETTE

Please keep camp and RV sites clean. Store any and all edibles and drinkables in vehicles and/or certified bear-proof containers. Observe quiet hours and be courteous to your fellow campers.

STREAM

Please do not block the flow of the stream by adding additional rocks or debris to the watercourse. Please do not rearrange rocks on the bank, and do not put anything into the stream that could be lost as it flows away to eventually join the river.

CAMP SINK

Sinks are located in laundrette and by the bath houses (May - September). Please do not leave any trash or food scraps in the sink, and please do not dispose of any trash or food scraps down the drain. Sugarbush relies on a septic system that can be damaged by

inappropriate debris, and these items can also attract bears and other wild animals. Please don't dispose of any trash or food scraps in the flower beds in the campground.

NO VEHICLE WASHING

Sugarbush utilizes a water well, and we must conserve this precious resource wherever possible.

INTERNET ACCESS

Wi-Fi is available in the campground and requires the password. To ensure that all of our guests have access, we ask that you do not stream videos. You can text, email, or surf the web, but we remind you that being outside and experiencing the surrounding area, and all that it has to offer, is usually way more fun!

CELL PHONE SERVICE

Cell phone service is spotty at best in Sugarbush Campground. There is typically a weak AT&T signal. Please note that Wi-Fi calling and texting works well on our wireless network.

ADDITIONAL POLICIES

Sugarbush Campground is not responsible for damages caused by accidents, vandalism, or acts of God. Sugarbush Campground is not responsible for any vehicular collisions or damage. All guests are encouraged to take all precautions to secure their belongings.

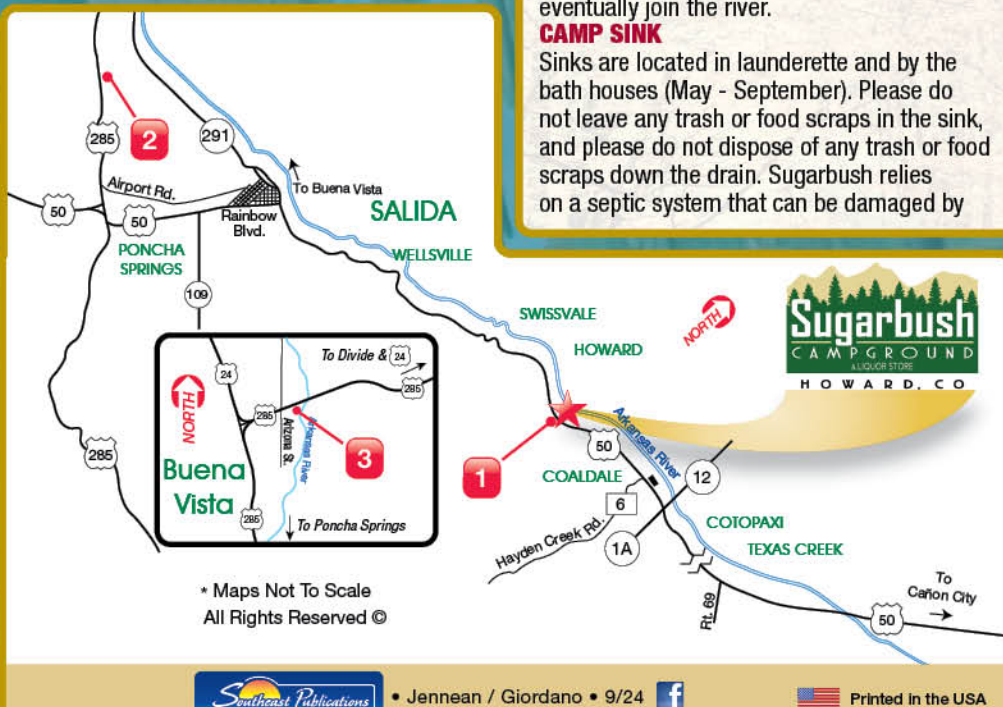

Sugarbush Campground is not responsible for accidents or injuries. If two reasonable complaints are lodged with Sugarbush Campground, then we have the right to ask the site occupants to leave without any refund. Sugarbush has the right to refuse service to anyone.
