GO CAMPING

GENERAL INFORMATION

- **All people, vehicles and pets must be registered** with our office **BEFORE** going to your site.
- **Quiet Hours** are from 10:00pm until 7:00am. Be considerate of others.
- **One vehicle and camping unit** are included in your nightly rate.
- **No EV charging on the campground.**
- **Laundry:** Open daily - hours posted.
- **Recycling:** We recycle glass, plastics, paper, metal cans, cardboard, batteries, plastic shopping bags, and propane bottles.
- **Garbage:** Please place your garbage in our our dumpsters during store hours, so the bear bars can be put in place at night.
- **Open wood fires are allowed on sites with permanent rings installed. Propane and portable fire ring options are available for other sites. See office for details.**
- **Firearms and Fireworks:** Not allowed at all. We have a zero tolerance on this issue.
- **Marijuana Policy:** We pride ourselves on being a "Family-Friendly" campground. Our goal is to create an environment that promotes a positive/healthy environment in which families can create extraordinary memories for a lifetime. While marijuana is legalized in the State of Colorado, we are a private campground and therefore we can ban the smoking of marijuana from our campground. We have chosen to ban the smoking of

marijuana on our premises in order to provide families with the best possible experience to create those family memories. If a camper is using marijuana, then they will be:

1. Asked to stop the use immediately, advising them of our campground's policy.
2. If they choose not to do so or begin to use it again, they will be asked to leave immediately without refund.

- **Please No Drones or Generators Allowed.**

Enjoy our HD Cable Channels.
Tune in to Channel 2 for the guide.

ESTES PARK KOA HOLIDAY PET POLICY

We pride ourselves on being a "Dog-Friendly" campground. Our philosophy is "a well-behaved dog is welcome in all areas of our campground." With that being said, we do have expectations for dog owners and their pets. If these expectations are not met, the dog and the owners will be asked to leave without refund.

- Please do not leave your pets unattended for unreasonable periods of time. This can cause duress on the dog. Doggy day care is available at the Estes Park Pet Lodge (970) 586-9282.
- Dogs by nature will bark. However, dogs barking for extended periods of time will not be tolerated.
- We provide a K-9 Park and Pet Walk Area on the east end of our campground. A larger dog park is available across the lake near the Fairgrounds.
- Please clean up after all of your pets in all areas.
Thanks.

EMERGENCY CONTACTS

1. **Phone NIGHT STAFF** (on campground) - After Hours Emergency **970-227-3429**
2. **Campground Owner** (on premises) - **815-751-4343**
3. **Local Police** - **970-586-4000** or **911**

For bear issues, please call our Night Staff and NOT the police. Why? Because if a bear gets 3 calls, they are euthanized. We love our wildlife!

**OUR SINCERE
THANKS**

It is a pleasure serving you. If there is anything we can do to make your stay more enjoyable, be sure to let us know. We're more than happy to provide recommendations to a KOA Campground at your next destination—just ask.

Enjoy your stay and come back soon.
Happy camping!
